

Annual Meeting of the CRE in Polycystic Ovary Syndrome

This 2nd annual meeting of the Centre for Research Excellence (CRE) in Polycystic Ovary Syndrome (PCOS) offers a valuable opportunity to share and generate new knowledge for improved health outcomes in PCOS, and to experience presentations from several leading international and national researchers and clinicians in the field. The meeting will be held in Lorne, one of Victoria's most desirable coastal settings.

Date: Wednesday 9 – Thursday 10 November 2016

Venue: Heritage Seminar Room 3, Mantra Lorne,
35 Mountjoy Parade, Lorne – 03 5228 9777, www.mantra.com.au/lorne

Who should attend: Who should attend: Chief and Associate Investigators of the CRE in PCOS; students, early career and mid-career researchers working in PCOS; members of the Australian PCOS Alliance; members of the CRE in PCOS International Advisory Panel. Others by invitation.

For further information about the meeting, please email gillian.chamberlain@monash.edu
